## VERMAY NURSERY COMPANY

**Growers of The South's Finest 2 Year**

**Field Grown Roses**

**TYLER, - TEXAS**

YOU SHOULD KNOW that the Vermay Nursery Company has specialized in the growing and shipping of *Fine Roses* for over 20 years and we believe that finer Stock cannot be bought or grown. Considering our standard of *Quality* and war conditions under which we must operate, our prices are reasonable. We are not jobbers. All our stock is grown in our own nurseries and shipped direct to you.

**STOCK:** All stock listed herein is First-Class Nursery Stock, having been State inspected and declared apparently free from disease. Same will be uniformly graded according to "Standard of Grading" of the American Association of Nurserymen.

**CLAIMS:** No Claims for rejection or deficiencies will be entertained unless made promptly upon arrival of goods.

**PACKING:** All stock offered in this list will be packed free, except where boxing or crating is done, which will be charged for at cost.

**LIABILITY:** We shall not be liable for injury to stock from frost, hail, fire or other causes beyond our control. We are not liable for delays in transit; our responsibility ceases upon delivery to transportation company.

**TO RESERVE ORDERS:** Orders booked in advance of delivery date, must be accompanied by 25% of the order to insure us in reserving the stock for later delivery.

**DISCOUNTS:** No discounts will be allowed from this list as this is our best cash prices. All prices are F.O.B. our nursery at Tyler, Texas.

Our roses are 2 year, field grown, budded low on de-eyed multiflora rootstock, which gives the best possible root system.
